<p>How to Get Started</p>	<ul style="list-style-type: none"> Identify someone within your organization who will be responsible for coordinating internships. Set goals and expectations for the intern and create an informal job description. Assign a mentor who can help the intern meet goals, expectations, and better understand the company as a whole. Contact local school to connect with high school or college students who are interested in internships. Don't be afraid to reach out to specific teachers who have programs that align with your needs. <p>Need help connecting to high schools in your area?
